On-campus living is part of the Pioneer journey – it’s where you’ll make friendships and memories that will last a lifetime.

From traditional residence halls to suite-style units and apartments, Carroll has the perfect place for you to call home.

You can rest easy.

- Residence life staff are on duty in each area to provide support and ensure compliance with university policies.
- It’s easy to make new friends and become part of a community by joining in on the many social and recreational activities offered through on-campus living.

**Housing Policies**

a. All full-time students who enroll at Carroll are subject to a residency requirement until they have achieved senior standing (92 credits) by the beginning of the academic year (unless you are married or in a domestic partnership legally recognized by a state, 23 years of age or older, are the primary care giver to a child or live within 50 miles of campus with parents or legal guardians during the academic year for which you are enrolled).

b. Each year, full-time students who wish to live off-campus must apply for an exemption to be released from the residency requirement and must receive approval through the Office of Residence Life and Housing. If the exemption application is denied, the student will be subject to the requirement above.

c. Students who have not been approved for release from the requirement and/or fail to submit a Housing and Meal Plan Application will be charged for a standard double room and 140 Block Meal Plan until the terms of the residency requirement have been satisfied.

**Placement**

All students will select their own housing for the upcoming year using our online room selection process. Returning students select in March and first-year students select in June.

**Deposit**

A $250, non-refundable housing deposit will be applied to the student’s first semester bill. The deposit is required to submit a housing application.
