<i>Associate Director of Student Activities</i>
<i>Director of Community Engagement</i> | |

- Mission/Vision/Values adopted in April 2016
 - Revisit the mission, vision, and values statement of the Campus Center to continue to keep us grounded in our work.
 - These are talked about throughout the year at various staff meetings and are values that the staff are held accountable to.
- We had a busy summer!
 - Projects that happened and what is on the horizon.
 - Pioneer Indoor Terrace – Dining Space
 - Much brighter, more open feel of the space. Eliminated some tables allow for ADA accessible paths throughout the space. Did some reallocating of furniture in the building to help create smaller pods of soft seating by TV's.
 - Pioneer Indoor Terrace – Lounge
 - Much brighter than before, lots of space for studying, hanging out, eating, the open collaboration room has been used greatly in the first few weeks of the space reopening.
 - Gert's Grab 'N Go / Dining Room
 - Great collaboration between Dining Services, Advancement, and Student Affairs. The dedication went over very well, and are very happy with how supportive and embracing the Carroll community's response to the dining room dedication.
 - Ballroom and Boardroom
 - Updates to the Boardroom to make it a "private" meeting space are concluded. Updated signage to both spaces help keep this branding consistent throughout the building.
 - Campus Center Restrooms
 - Renovation of the lobby and second floor restrooms will begin in November this fall. All levels of the Campus Center will become ADA accessible. We were not able to pull off any single stall toilet rooms at this time due to how small the restroom footprints are we have to work with, but have identified the Catering Kitchen location by the Ballroom as a

CAMPUS CENTER CARROLL UNIVERSITY

potential option in the future.

- Programming to date
 - U.S. Banker in-house dates during Move-In/first week of classes
 - Lounge Space opening saw 71 students, faculty, and staff
 - National Cupcake Day on Oct. 18 at the Info Desk
 - Nation Cat Day on Oct. 29 in the CC lobby
 - Annual Veterans Day Promo with Dining and the Pioneer Shop (free meal in the dining room and 10% off in the Pioneer Shop)
 - Annual Pioneers Volunteer Day – Student Fellows and Assoc. Director (Tyler Ratkowski) volunteered at the Annual Pumpkin Run.

- Campus “Food Truck” – Student Engagement
 - Great partnership with Dining and GRC. Student designers are designing the façade of a food truck for in the dining room. Top 5 designs will be voted on by the Campus Community beginning Oct. 17.

- Canvas Training for FA18
 - Our retention rates for staff have increased from the prior fall and over half of the staff tested out of fall training this year due to the utilization of canvas as a training tool.

- PiONEer Card Office
 - NFC Card implementation
 - Contactless cards – coming very soon. A formal announcement will follow to the campus community.
 - Student Dining Dollar notices
 - Will continue again this fall after thanksgiving.

- Questions? Comments?
