

On-campus buyback (for cash)

Each semester, Barnes and Noble will conduct an ON-CAMPUS Textbook Buyback for students to sell their unwanted textbooks at the end of each term. Bring your student ID and your books (from any source) to the Pioneer Shop on the Main Level of the Campus Center.

We buy books from all sources, even if not purchased from MBS.

In most cases, we *do not* accept:

- International editions
- Instructor copies
- Books with EXCESSIVE notes or highlighting
- Water damaged pages
- Broken spines
- Lab Manuals purchased on on campus (i.e. CHE101, CHE102, CHE109, ART209, ANP402 etc.)

GUARANTEED BUYBACK

Students that purchased specific texts from MBS with a **GUARANTEED BUYBACK** will be ensured they are able to sell their books back at the **GUARANTEED BUYBACK PRICE**, even if the need for the text has been met. *(Please note the due date for the books to be returned. Late **GUARANTEED BUYBACKS** will not be accepted.)*
