

Resident Packout Program

The Dining Services is happy to provide Resident Hall students on a meal plan the opportunity to plan and organize a carryout meal. The packout program allows students to use one of their meal swipes in exchange for the food at the event. The student organizing the packout will need to contact Kevin Slowik, Director of Catering at least ten days prior to the event to arrange the packout. Kevin can be reached at 262-524-4860 or by emailing him at kslowik@carrollu.edu. Chartwells will provide bulk-packed meals for the group to be picked up and returned to the Dining Services located in the Campus Center. Equipment and paper supplies needed for the event will be provided by Chartwells.

Once the event has been established with Kevin, the person in charge of event will be given a sign up form. Student names and ID numbers of those attending the event will need to be collected. That form needs to be back to the Dining Services Office 3 days prior to the actual day of the event. Students not on the meal plan may use Dining Dollars or Carroll Cash. Food for the packout will be based on the number of students that are on the sign up sheet. The person in charge of the event will be responsible for properly holding the food once the food has left the Dining Services. All supplies, equipment and remaining food must be returned to the Dining Services upon the completion of the event. Charges to the group will apply for items that are not returned.
