

**Student Evaluation of Internship**  
**College of Humanities and Social Sciences**  
**Carroll University**

Student:

Student ID:

Organization:

Faculty Supervisor:

Course Number:

*At the start of your internship you and your internship supervisor identified a number of goals for your internship experience. Please reflect upon your experience and determine how well your internship met those goals. **This information will only be shared with your Faculty Internship Advisor upon the submission of final grade.***

**Learning Objectives:**

*How did my internship serve to meet the learning objectives?*

**Tasks & Strategies:**

*How effective were the tasks and strategies set by myself and my supervisor at furthering my knowledge base?*

**Methods of Evaluation:**

*How well did the methods of evaluation measure what I actually learned?*

**Faculty Supervisor:**

*Please evaluate the assistance in oversight of your faculty supervisor.*

**Further Comment:**

*Please reflect further upon how well your education at Carroll prepared you for the duties required by your internship.*
