**Meal Plan Policies**

- Students may increase their meal plan at any time. The deadline to decrease or cancel a meal plan is one business day prior to the first day of classes for Summer Session II as published in the University catalog and academic calendar.
- Block meal plans offer a guaranteed number of meals and may be used for guest meals. All meal plans include Dining Dollars and allow meal transfers during posted hours.
- Unused meals and dining dollars are not transferable to the fall semester. Unused meal plans and Dining Dollars are not refundable.
- Only currently enrolled Carroll students may participate in a meal plan. Students who withdraw or leave the University are no longer eligible to use their selected meal plan and will be held responsible for outstanding charges as published in the University catalog.
