

3 UP
4" X 6" CARD
FRONT

The dotted line is the outside dimension for 4" x 6".

The inside solid line is the printable are of 3.5" x 5.5"

Always allow ¼" borders on all outside edges of the paper. The printer will not print in that area.

Moving the layout to the corners if the page reduces trim time and cost.

If you are running a print test of your layout be sure the printer is set for "NONE" or NO SCALING" of the page.

The lines are to show your areas of limitation- DO NOT include them in your layout
