

ARE YOU READY, PLAYER ONE?

Have you ever wanted to create video games, but don't know how to code or where to start?

Have you ever wanted to discuss and analyze video games in an academic setting?

If so, you should consider adding a ...

VIDEO GAME STUDIES MINOR

It's new for 2019-20, and includes two new courses!

ENG 115: VIDEO GAME CREATION AND DESIGN

Fall 2019, MWF 12:00-1:10 p.m.

Students will create 2-D video games and learn the basics of good game design. No prior coding experience is necessary!

ENG 215: VIDEO GAME STUDIES

Spring 2020

Students will learn about video game theory to analyze classic and contemporary games and their impacts on our culture.
